Important Message from the Managing Director of Tobin Brothers Funerals

At Tobin Brothers our number one priority has always been people; be it the client families that we serve, the deceased in our care, the wider community and of course the 250 people employed at Tobin Brothers who serve client families in their absolute time of need.

It is with all this in mind and with advice from experts on COVID 19, effective immediately the following procedural and operational changes will be implemented right throughout the Tobin Brothers Group of Companies.

Effective Sunday 6th December 2020 at 11.59pm Funerals held in Melbourne Metropolitan and Regional Victoria must adhere to the following:

There is no limit on how many guests can attend an indoor funeral, subject to the 1 person per 2 square metre rule that is in place.

Funeral arrangement conferences in Tobin Brothers' branches are restricted to the immediate family. We are able to offer a range of online conferencing options including video calls on Zoom and WhatsApp as well as audio teleconferences to include other family members in the arrangement process.
